Your guide to managing change throughout a project or initiative

	5

Instructor Hub

Guidance and materials to deliver a transformational learning experience

Best-in-Class Change Management Resources and Tools

The Prosci Methodology is one of the most widely used approaches to change management in the world. And it encompasses a variety of models, research, tools, assessments, processes and more. The Prosci Hub Solution Suite puts the elements of the methodology you'll need most at your fingertips.

The suite's content, resources and tools are organized into the following products:

Research Hub

A single point of access to Prosci research, including core studies, topical studies and relevant data across a broad array of topics. Reference over 20 years of best practices, lessons learned and insights from thousands of change leaders around the world.

Knowledge Hub

A single point of access to content and resources related to a specific Prosci training program or learning experience. Transition from learning to application by understanding key concepts and building new skills to succeed at change.

Proxima

A web application that guides you through the Prosci Methodology focusing on the people side of change throughout a project or initiative. Achieve change success and deliver value to the organization by following a structured, adaptable and repeatable approach. Learn more.

Instructor Hub

A single point of access to facilitation guidance and materials to deliver Prosci training programs. Follow global delivery standards ensuring a seamless delivery experience for instructors and a transformational learning experience for participants.

Empowering You on Your Change Management Journey

With the digital content, resources and tools you need to achieve project success, build change capability, and excel in the discipline of change management.

Who Is This Solution Suite For?

Change leaders and change practitioners gain access to one or more of the Hub Solution Suite products as follows:

For individuals – by attending specific Prosci training programs that include access to certain product(s) in the suite (renewable after initial subscription period)

For organizations – through a Prosci enterprise license that includes access to certain product(s) in the suite (renewable after initial license period)

Key Features and Benefits

Customized to meet your needs:

- Individualized hub-specific content, resources and tools organized to support you on your particular change management journey
- Licensed individual products licensed as part of a specific training experience or enterprise license offering, with subscription renewals available past the initial license period on an annual basis
- Adaptable responsive design to support access from your computer, laptop or mobile device
- *Localized* supports multiple languages for global audiences
- Accessible designed for compliance with regulatory standards that promote access for people with disabilities

Offers an intuitive digital experience:

- Seamless consistent user interface and digital experience featuring intuitive navigation, bookmarks to frequently accessed content, and a search capability to provide in-hub search results
- Centralized accessed through the Prosci Portal with quick navigation from hub to hub through a standard hub control panel

Great product—very easy to use. Well done!

"

Dana Houston Jackson 1898 & Co.
